
Mouse Anti-Mullerian Hormone (AMH) Antibody

Cat# AB3074-100

Product description

Product: Mouse Anti-Mullerian Hormone (AMH) Antibody
Host: Mouse
Species: Human
Isotype: gG2b Kappa+ IgG1 Kappa
Format: Protein A + Protein G Affinity Purified
Immunogen: Recombinant AMH (Ala453~Arg560) expressed in E.coli
Product Type: Polyclonal Antibody

Formulation

0.01M PBS, pH7.4, containing 0.05% Proclin-300, 50% glycerol.

Application

The product is affinity purified and specifically recognizes the Human Mullerian Hormone (AMH). The antibody can be used for variety of application. It is recommended that the end user optimizes the product for their particular application with appropriate controls.

Specificity

The antibody is a mouse monoclonal antibody raised against Mullerian Hormone (AMH). It has been selected for its ability to recognize Mullerian Hormone (AMH) in immunohistochemical staining and western blotting.

Tested Application

Western blotting: 0.5-3µg/mL;
Immunohistochemistry: 5-30µg/mL;
Immunocytochemistry: 5-30µg/mL;
Optimal working dilutions must be determined by end user.

Storage

Store at: -20°C in aliquots and avoid repeated freeze/thaw cycles.

Pack size available

100 µg, 500 µg

Regulatory:

For research use only (RUO)

This Product is for Research Use only (RUO) and not to be used in Diagnostic Procedure.
