
Rabbit Anti Glucagon Like Peptide 2 (GLP2) Antibody

Cat# AB3087-100

Product description

Product: Rabbit Anti Glucagon Like Peptide 2 (GLP2) Antibody

Host: Rabbit

Species: Human

Format: Protein A Affinity Purified

Immunogen: Synthetic Peptide, GLP2 conjugated to OVA.

Target peptide sequence: HADGSFSDEMNTILDNLAARDFINWLIQTKITDR

Product Type: Polyclonal Antibody

Formulation

0.01M PBS, pH7.4, containing 0.05% Proclin-300, 50% glycerol.

Application

The product is affinity purified and specifically recognizes the Human Glucagon Like Peptide 2 (GLP2). The antibody can be used for variety of application. It is recommended that the end user optimizes the product for their particular application with appropriate controls.

Specificity

The antibody is a rabbit polyclonal antibody raised against Glucagon Like Peptide 2 (GLP2). It has been selected for its ability to recognize GLP2 ptor in immunohistochemical staining and western blotting.

Tested Application

Western blotting: 0.5-2µg/mL;

Immunohistochemistry: 5-20µg/mL;

Immunocytochemistry: 5-20µg/mL;

Optimal working dilutions must be determined by end user.

Storage

Store at: -20°C in aliquots and avoid repeated freeze/thaw cycles.

Pack size available

100 µg, 500 µg

Regulatory:

For research use only (RUO)

This Product is for Research Use only (RUO) and not to be used in Diagnostic Procedure.
