## Rabbit Anti-Mullerian Hormone (AMH) Antibody

Cat# AB3090-100

### Product description

---

Product: Rabbit Anti-Mullerian Hormone (AMH) Antibody  
Host: Rabbit  
Species: Human  
Format: Protein A Affinity Purified  
Immunogen: Recombinant AMH (Ala453~Arg560) expressed in E.coli  
Product Type: Polyclonal Antibody

### Formulation

---

0.01M PBS, pH7.4, containing 0.05% Proclin-300, 50% glycerol.

### Application

---

The product is affinity purified and specifically recognizes the Human Mullerian Hormone (AMH). The antibody can be used for variety of application. It is recommended that the end user optimizes the product for their particular application with appropriate controls.

### Specificity

---

The antibody is a rabbit polyclonal antibody raised against Mullerian Hormone (AMH). It has been selected for its ability to recognize AMH in immunohistochemical staining and western blotting.

### Tested Application

---

Western blotting: 0.5-2µg/mL;1:500-2000  
Immunohistochemistry: 5-20µg/mL;1:50-200  
Immunocytochemistry: 5-20µg/mL;1:50-200  
Optimal working dilutions must be determined by end user.

### Storage

---

Store at: -20°C in aliquots and avoid repeated freeze/thaw cycles.

### Pack size available

---

100 µg, 500 µg

### Regulatory:

---

For research use only (RUO)

*This Product is for Research Use only (RUO) and not to be used in Diagnostic Procedure.*
